

PWR POWER MAN[®]

PRE-CHARGED

RECHARGEABLE

PWR x200GO!

NiMH charger

For AA/AAA batteries

foldable plug

An ultra compact design charger for 1 or 2 pcs NiMH batteries in the sizes AA & AAA. With its foldable plug, the charger becomes a straight-lined package, further enhancing its convenient travel and storage capability. Along with the safety timer and 2 LED indicators this charger is great value for money. Includes 2 pcs AA/R6 Power'nGo! "pre-charged" NiMH batteries and operates on AC 100V and 240V. This new battery technology guarantees long shelf and cycle life.
